People Building Bridges

Tree Planting Campaign 2015

every Saturday between 10th Jan – 14th March

Tent of Nations welcomes you to join us to plant trees on Daher's Vineyard, our organic farm near Nahalin. Last Spring around 1,500 trees were destroyed by the Israeli Military – now we wish to plant more than double this again. We would love you to help us achieve this and give new life on our land. In doing so, you will enjoy the beautiful views from our hill-top farm, give a tree the chance to grow and meet people from around the world: planting together for a brighter future.

With heart and hand, we change the land.

Join us on Saturdays:

10/01, 17/01, 24/01, 31/02, 07/02, 14/02, 21/02, 28/02, 07/03, 14/03

(Please get in touch on rainy / muddy days to find out if planting can still go ahead)

Please let us know on which day(s) you would like to come along by emailing info@tentofnations.org

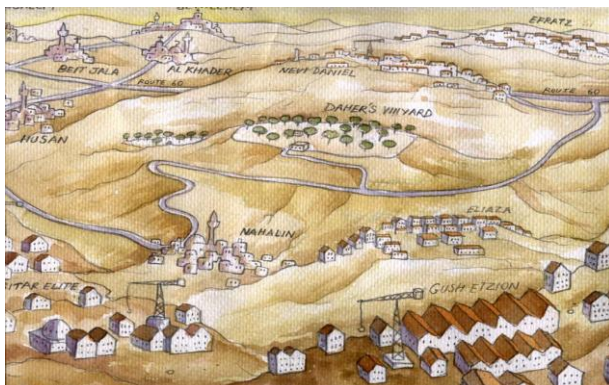

How to find us:

From Jerusalem take Bus No. 21 to Bethlehem, to the last stop which is called (Bab Zqak).

From Bethlehem (Bab Zqak) take a shared taxi (Sherut) towards Hebron and ask the driver to drop you at Kilo 17 ("Kilo Saba'atash") – this is about 15-20 min drive from Bab Zqak.

When you arrive to Kilo 17, find the small road (towards Nahalin) which runs parallel with the road to Neve Daniel, walk along this (you will pass two road blocks) for 5-10 mins and you will arrive at Tent of Nations.

In case of any difficulty please don't hesitate to call us on 0522-975985.

Please wear outdoor working clothes. A traditional Palestinian meal will be provided at lunchtime (any donations you are able to offer are appreciated).

You can also **Sponsor a Tree**, which you can plant yourself in an act of hope for the future, and you will receive a certificate of solidarity.
